VISIT TO LONG LAKE PARK

A few days ago we had the picasure of visiting Long Lake Park, going by the new steamer. Commodore, operated by a new and competent crew. We made the trip from lock I in 70 minutes. The engineer claims they will be able to shorten the time 10 minutes after a few more trials. It was a very satisfactory ride, free from dust and lost. The park was cool and shady, having a continuous breeze. Situated 75 feet above the take, and higher than the surrounding country, it afferds a magnificent land and water view. The hotel is having a number of summer boarders, enloying the excellant and home-like service, baving the satisfaction of enting the blue gill fish landed by their own prowess. Such a beach for bathing is not surpassed in fresh water bathing.

Good Going at Fountain Park Friday.

Champion Jeffiries Posts Forfeit-Local Sporting News.

With good weather and a fast track Akron will have the best race meeting Cleveland. in her history next week. All arrangements are completed for the starting of the fivers.

The races will be started promptly at one o'clock Wednesday, continuing three days. Every class has filled, the entries being the best of any at Northeastern Ohio tracks this year.

The course at Fountain park has been greatly improved since last fall. The soil has been removed and the turns have been banked. It has been noticeable that much faster time has been made this year on the track Packing, moving and storing of than ever before by the matinee perfor funerals, weddings, parties and formers. This is largely due to the improvements.

The fact that there are a number of Akron horses entered will add interest to the meeting. In the 2:30 pace four local animals will contest for the purse. The horses and their owners are Happy Hastings, Ed. Dunn; Wed ding Chimes, B. Witherspoon; Tony B. W. C. Baum; Lottle Bayard, C. G. AKRON, O. Burton. In the 2:33 trot two local horses start, Zinfidel, Robert Tryon, Grace Elyria, E. M. Ganyard. Lura Backus, owned by Ed. Viall, Freebooter, Cal Stull's horse, and Little Coaster, the property of E. A. Hershey, are entered in the 2:26 trot. Belle S, recently purchased by George Hartman, will be in the field that goes after the purse in the 2:21 pace. Wedding Chimes, Tony B and Lottic Bay-

DECLARED OFF. The match between Jack Palmer and Morris Rausch has been declared off.

That it will not take place is no fault of the clever and game Akron fighter. He would be only too glad to get anothor crack at the Chicago man provided a fair referee was selected. He insisted that George Siler be selected as referee. This did not meet with the approval of Rausch and his gang of trimmers. They wanted some one else. BROKEN BRIC-A-BRACS.

Mr. Major, the famous cement man, of New York, explains some very interesting facts about Major's Cement.

The multitudes who use this standard article know that it is many hundred percent better than other cements for which similar claims are made, but a great many do not know why. The simple reason is that Mr. Major uses the best materials ever discovered and other manufacturers do not use them, because they are too expensive and do not allow large profits. Mr. Major tells us that one of the elments of his cement costs \$2.75 a pound, and another costs \$2.65 a gallon, while a large share of the so-called cements and liquid glue upon the market are nothing more than sixteen-cent glue, dissolved in water or citric acid, and, in some cases, altered singhtly in color and odor by the addition of cheap and useless materials.

Major's cement retails at 15 cents and 25
